

aparici TILES

Representing one of Spain's most distinguished porcelain tile manufacturers, we bring forward a brand where design meets durability.

Known for its bold creativity and uncompromising quality, this high-end Spanish company offers tile collections that elevate any space — from themed restaurants full of character, to sleek, high-end bathrooms and modern living areas with a refined edge.

Beyond interiors, the brand excels in outdoor innovation with a powerful line of 2 cm thick porcelain tiles. These durable surfaces are available in a rich variety of styles, perfect for terraces, poolside, and open-air kitchens — where aesthetics and performance go hand in hand.

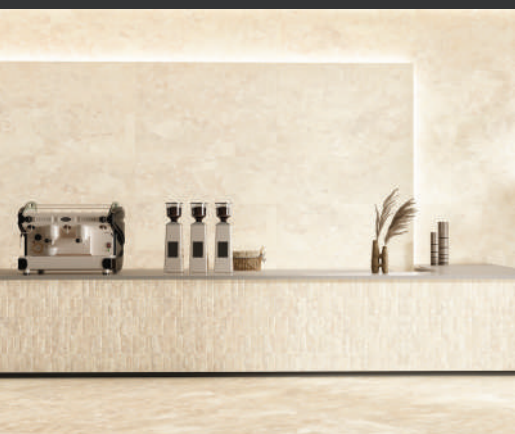

MORE THAN TILES — A COMPLETE SURFACE EXPERIENCE

From classic floor and wall tiles to specialized solutions, our collection goes beyond expectations. For outdoor settings, we offer both non-slip finishes and robust 2 cm porcelain tiles designed for durability and design harmony.

For bold interiors, our large-format slabs - available in sizes up to 120x260 cm - bring seamless beauty to walls, floors, and creative vertical applications. We also provide sophisticated countertop tiles for kitchens that demand both performance and elegance.

Completing the range, our porcelain mirrors introduce a touch of innovation - combining the clarity of a mirror with the resilience and design versatility of high-end porcelain.
